THE BLACK HAND AT WORK IN NILES

Niles, Feb. 6.—"Unless \$150 is left for me on your doorstep you and your husband will be killed," a masked man told Mrs. James Rush, wife of a farmer, she charges.

"I am a member of the Black Hand," she quotes. "There are six others concealed behind your barn, who will kill you if you scream or tell the police."

The man held a revolver in one hand and a dagger in the other. Mrs. Rush says he is one of three who robbed her home and shot her in the arm in June.

After searching the house for money, the intruder took two photographs from a trunk, relates Mrs. Rush, and cut them in pieces, saying, "Thus I will cut you if I do not get money."

Stephen Richards, formerly employed by Rush, is under arrest.

WAS WELL KNOWN

In Stark County—Prof. Kuhn Was a Remarkable Man.

Prof. John P. Kuhn who died at New Philadelphia, recently, and formerly a teacher at Hartsville was well known in this portion of the state. He was the oldest school teacher in Tuscarawas county. A short time before his death he met with an accident in which a delivery wagon wheel passed over his head. This is thought to have hastened his death. The Times of New Philadelphia in its account of his death says:

It seemed that Friday afternoon, Prof. Kuhn had a premonition that his days were numbered. For weeks he had worked under pressure, and many days when he should have been at home, and under the care of a physician, he labored in the school room. After personally bidding each scholar good-bye, he dismissed them for a week. From the school room he went directly home. Saturday morning his condition was greatly improved and he instructed his daughter, Mrs. John Graff with whom he resided, to call up each pupil and tell them that there would be school.

Shortly after dinner he complained of a tightness about the throat and of having trouble to swallow. He went up stairs and rapidly became worse until he summoned his daughter. He told her he could not get his breath. Mrs. Graff opened the window to fan him and several minutes later he lapsed into unconsciousness and passed away in the arms of his daughter.

HIS ARMY RECORD.

The army record of Prof. Kuhn was an enviable one. For three long years as a member of Co. B, 126th O. V. I., he served his country faithfully and courageously. Six months he spent in Libby prison, undergoing all the horrors and the misery to which the Union prisoners were subjected in the southern prison. Several times he was wounded. His left knee was shattered by a ball which necessitated the removal of a portion of the bone. For many years the deceased had been an active member of Andrew Crawford Post in this city.

PROMINENT EDUCATOR.

For a half century, Prof. Kuhn has been connected with educational affairs, not merely locally, but nationally. In 1884, he organized a normal school in this city, which he conducted up to the time of his death. From his school have gone forth many men and women who have gained national fame as educators, and who give to Prof. Kuhn the credit for fitting them for a realization of their life's ambitions. It is said by those who were personally acquainted with Prof. Kuhn that more teachers have come forth from his school than any other in eastern Ohio.

In mathematics and grammar, Prof. Kuhn was exceptionally strong. He assisted in the revision of Ray's arithmetic, and was a personal acquaintance of the author. In the Ohio Teacher's Monthly will be found the solution of many problems, which have puzzled instructors of renown, but which were correctly solved by Prof. Kuhn. Harvey, the eminent grammarian was also a personal acquaintance of his, and in the last revision of Harvey's grammar he assisted in making several changes of great importance and lending valuable assistance throughout the work. It will be many years before a successor to Prof. Kuhn can be found, who will be so thoroughly competent in all branches.

MET WITH ACCIDENT.

Four weeks ago, Prof. Kuhn was run down by a heavy wagon. He sustained a severe scalp wound and had several ribs fractured. Prior to that he had had a bad attack of asthma, which left him physically unfit to proceed with his work, after being injured. A man of great activity, he insisted that his school must go on, and it did. Not until Friday did he give up the struggle and even then it was with the greatest effort.

BORN 68 YEARS AGO.

John Phillip Kuhn was born February 14, 1840, in Fry's valley. In 1861 he was married to Miss Seleeta Bishop of Rogersville. To this union nine children were born, five of whom J. P. Kuhn, Jr., of Columbus, Mrs. J. H. Graff, Mrs. T. H. Darst, Mrs. W. F. Swinderman, and Mrs. Richard Cramer all of this city survive him.

The funeral will be at two o'clock, Wednesday afternoon, from the residence of Mrs. Graff, 214 East Front street. Andrew Crawford Post will have charge of the services.

Gas Smothers Three.

Erle, Pa., Feb. 6.—Sleeping Kotalza, 20; John Kobas, 20, and Jos. Treasa, 17, were smothered to death at a boarding house, 1120 Cascade street. Their room was heated by a gas stove without a chimney. While the gas pressure was low, the valve was opened wide. The pressure came on, causing a roaring fire.

Forty-nine thousand six hundred and thirty-four veterans of the civil war died during 1907, which is at the rate of 136 every 24 hours, or more than one every ten minutes.
